

CT 330 : Checks all Euro notes and (if ordered) a second currency

CT 330 This bestseller in counterfeit detection checks all Euro notes and (if ordered) a second currency. Thanks to its rechargeable battery (Plus version) this detector is mobile. No need to rely on the human observation: it is NOT necessary anymore thanks to the 100% result in the ECB test!

And when banknotes and/or features might change in future: the update function allows you always to have the most recent software without any nerving downtime of your detector!

Features

- The CT 330 can test the Euro (default) and (if ordered) a second currency
- Easy-to-use
